

This Prez says for the last time....

Six months into the year and things are winding down. We don't have as many things going on the next couple of months. You can relax a little. Thanks for all you have done.

Twilight Concerts are always fun events. They will be showing another Buster Keaton movie. Let's plan on volunteering and turning it into an evening picnic as well..

There are still a couple of officers positions open for the 2009-2010 year. Please consider getting involved. Claudette has the most demanding position of all the offices. (aw, thanks, Felix! Though I have to give credit to Mike Reeves for keeping up with the events and their coordinators. Editor.) As President, the hardest thing I have to do is come up with this article! See you at the July meeting!
