Prez Says

Gosh where did the summer go? The hot days of summer are rapidly coming to an end and fall will be here soon. Cooler weather will certainly make our volunteering at outside events more enjoyable than in the heat. We have some great upcoming events—don't miss out on the Tulsa Garden Center Wine and Roses. They always have a spectacular fun evening. The ever popular Oktoberfest always needs volunteers too. If you have tried to sign up to work an event and we already have enough volunteers, you can put your name on a call list. Sometimes people have to cancel out at the last minute and you might be able to fill in. This will help give the coordinator a back-up plan.

We did have a very small showing at the Folding Party at Terry Boswell's house last month, but those who came, we had a great time in the evening air on the deck. Terry had his pool all ready, but none of us brought our bikinis. Mary Ellen and I did get our toes wet. The food was good and the company even better. I have often wondered why more of us do not show up for the Folding Parties??? Try to come to the next one.

Remember to tell others about SACS and invite them to a meeting. The more the merrier! Thanks again to Sherry Bircham for filling in for me last month, I heard you did great!

Editor's Note-

It's a short and sweet newsletter this month, we didn't have much to report from August. Never fear, there are lots of events coming up in the next several months!

So that we have more to report and show in future newsletters, please remember to submit an article of any event you coordinate. And we love pics of our SACS members at play! Ask Steve Kern to borrow our SACS camera and shoot away!

Our Mission

SACS is a non-profit organization comprised of unmarried adults which provides volunteers to assist and support community charitable, philanthropic, environmental and similar organizations.
